Model PC-6 Digital Price Computing Scale

Detecto's PC-6 offers accurate weight and price computation in a very versatile and compact unit. The perfect companion for selling candy, coffee beans and more. Battery powered operation makes this scale usable anywhere - great for kiosks, farm stands and street vendors. Economically priced, you can't afford not to use the PC-6!

Display shows weight, unit price and total price, and attaches to scale in 3 positions or detaches for wall mounting. The molded poly enclosure, lift-off stainless steel commodity tray and sealed keypad make cleaning easy.

Choose Pounds or Kilograms!
